

HOWE®

A STYLISED LATE GEO III /REGENCY COUNTRY HOUSE OAK SIDE TABLE

The quarter-sawn plain rectangular top of good colour with rounded corners, the end splat-shaped supports unusually void of a lower stretcher and raised on sabres legs with brass cap castors, all in very charming original condition. English circa 1810.

Height: 800 mm

Width: 830 mm

Depth: 500 mm
